Dear Mr. Mansfield:

Re: Notice of Intention to Commence Small Mining Operations, Feller Holding Corporation, Cobblestone Project, S/053/023, Washington County, Utah

On March 30, 1992, this Division received a Notice of Intention to Commence Small Mining Activities from Feller Holding Corporation. The proposed Small Mining project is located on State managed lands located in the N1/2 of Section 15, T43S, R16W, SLBM, Washington County, Utah. Your agency's designated mining lease number for this project is ML 45500. Pursuant to our joint agency Memorandum of Understanding, your office would be the designated "lead" agency in processing this application, therefore a copy of the Notice is enclosed.

This letter is to inform you that the Division has evaluated the above mentioned Notice of Intent for completeness. The Notice does meet the requirements of Rule R647-3 of the 1988 Division of Oil, Gas and Mining Minerals Rules, and Title 4-08 et seq of the Utah Mined Land Reclamation Act of 1975.

It is understood that your office, acting as "Lead Agency" will notify the operator accordingly. Please provide us with a final copy of your completeness letter to the operator.

Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files.
